

FEEDING THE MICROBIOTA

8th Symposium GE

February 9th 2023, 13:00-17:15

Auditoire Marcel Jenny, Geneva University Hospitals
and by internet

Hôpitaux
Universitaires
Genève

**UNIVERSITÉ
DE GENÈVE**

FACULTÉ DE MÉDECINE

Prebiotics and probiotics

Context

Many patients focus on nutrition with the aim to improve their gut microbiota and ultimately their health.

A better understanding of the interactions between nutrition, pre- and probiotics and gut microbiota could open up new therapeutic options for digestive diseases.

Aims

To create a group of physicians/scientists/health professionals /industrials interested by the nutritional modulation of microbiota and its impact on energy metabolism.

Public

Professionals (physicians, scientists, dieticians, nurses, pharmacists...)

Organisers

Prof. Laurence Genton, Prof. Jacques Schrenzel

Program

February 9th 2023

13:00 Welcome

Prof. Laurence Genton, Geneva, Switzerland

Moderators: Dr. Nicolas Goossens, Prof. Frédéric Triponez

13:05 Transcriptional and metabolic adaptation of intestinal bacteria to host immunity

Dr. Simone Becattini, Geneva, Switzerland

13:20 Microbiota in short bowel disease

Prof. Francisca Joly, Paris, France

13:50 Fecal microbiota transplantation and cachexia

Max Nieuwdorp, Amsterdam, The Netherlands

Moderators: Dr. Mikael Tognon, Dr. Tinh-Hai Collet

14:20 Microbiota in inflammatory bowel disease

Dr. Sophie Restellini, Geneva, Switzerland

14:35 Microbiota interventions in patients with irritable bowel syndrome

Prof. Stéphane Schneider, Nice, France

15:05 Pause

Moderators: Vladimir Lazarevic, Dr. Marie-Céline Zanella

15:30 Viroma in transplanted patients

Dr. Samuel Cordey, Geneva, Switzerland

15:45 Fibers: food for our microbiota

Dr. Erwin Zoetendal, Wageningen, The Netherlands

16:15 Bariatric surgery and gut microbiota

Dr. Minoa Jung, Geneva, Switzerland

16:30 Best attendees awards – Competition

Prof. Jacques Schrenzel

16:50 Conclusion followed by aperitif

Practical informations

Site

The 8th Symposium Feeding the microbiota will be held:

- ▶ In presential: HUG, Auditoire Marcel Jenny, Rue Gabrielle-Perret-Gentil 4, 1205 Genève
- ▶ Virtually simultaneously

Information and registration

Free but mandatory registration at [➔ hug.plus/microbiota-2023](https://hug.plus/microbiota-2023)

Further information: laure.wilmart@hcuge.ch

Post-gradual credits

Internal medicine, general medicine, gastro-enterology, infectious diseases, microbiology, endocrinology, diabetology (to be requested)
