

UNIVERSITÉ
DE GENÈVE

FACULTÉ DE MÉDECINE

6th June 2023

12.30 - 13.30

Auditoire P. Boymond (B02.2226)

Slow, slow, quick, quick, slow:
Genomic testing and research follow-up
turnaround times affect both clinical yield
and utility in genomic autopsy of pregnancy
loss and perinatal death

Prof. Hamish Scott

University of South Australia
