BIOLOGY**

# NCCR LECTURE SERIES

*Invited speaker*

## TATIANA KUTATELADZE

Department of Pharmacology, University of Colorado School  
of Medicine, Aurora, Colorado, USA

## Molecular mechanisms of epigenetic regulation

**Sept. 12<sup>th</sup> 2017**

16:15

UNIGE - A100

*About the speaker*

Tatiana Kutateladze, PhD, is a Professor in the Department of Pharmacology at the University of Colorado School of Medicine. Tatiana received her PhD degree in chemistry from the Moscow State University and obtained a postdoctoral training in biochemistry and structural biology in the US. Her research interests include epigenetics biology and structural characterization of chromatin-binding proteins implicated in cancer and other human diseases.
