

An aerial photograph of a busy city street, likely Geneva, with a grid overlay in shades of blue and orange. The grid lines are thin and semi-transparent, creating a futuristic or digital aesthetic. The street is filled with people walking, and the overall color palette is dominated by cool blues and warm oranges.

UNIVERSITÉ
DE GENÈVE

DESIGN THE FUTURE OF GLOBAL GOVERNANCE

- Learn from foresight, innovation and digital technology experts in international Geneva. They will share with you case studies and stories of accelerating and scaling change in their communities towards a positive future.
- 2-day foresight and innovation bootcamp: This virtual team and project-based experience will help you develop the right mindset and skills needed to imagine the future of global governance.
- Participate in an exciting social program, and build a global network of new friends and colleagues, including experts and practitioners from international organizations and leading institutions in Geneva.
