

FEEDING THE MICROBIOTA

10th Symposium GE

February 6th 2025, 10:00-17:00

Auditoire Marcel Jenny, Geneva University Hospitals
and by internet

Hôpitaux
Universitaires
Genève

**UNIVERSITÉ
DE GENÈVE**

FACULTÉ DE MÉDECINE

Microbiota and nutrition in clinical practice

Context

For the 10th edition of the symposium, we will focus on the development of clinical nutrition and personalized nutrition, based on gut microbiota findings.

Aims

To create a group of physicians/scientists/health professionals/industrials interested by the nutritional modulation of microbiota and its impact on energy metabolism.

Public

Professionals (physicians, scientists, dieticians, nurses, pharmacists...)

Organisers

Prof. Laurence Genton, Prof. Jacques Schrenzel

Program

February 6th 2025

Clinical development of nutrition during the last decade

10:00 Welcome

Prof Jacques Schrenzel, Geneva, Switzerland

10:05 Opening address

Prof Antoine Geissbuehler, Dean of the faculty of medicine,
Geneva, Switzerland

Microbiota-derived therapies for oncology patients

Moderators: Prof Olivier Michielin, Pre Stéphanie Hugues

10:20 Microbiota-based therapies

Prof Rita Oliveira, Chicago, IL, USA

10:50 Microbiota-associated immunity

Dr Zidi Bochra, Geneva, Switzerland

11:00 Nutrition and immunotherapy

Dr Carrie Daniel-MacDougall, Houston, Tx, USA

11:30 Personalized nutrition

Prof Eran Elinav, Rehovot, Israël

12:00 Lunch

Food for thoughts

Moderators: Pr Jean-Louis Frossard, Pre Claudia Heidegger

13:00 Vision for the future of clinical nutrition

Prof Laurence Genton, Geneva, Switzerland

13:15 Functional food and sustainability

Mrs Christina Senn-Jakobsen, Swiss Food Valley, Zurich, Switzerland

13:30 Round table: gaps and opportunities of microbiota-derived personalized nutrition (pre-, pro, and postbiotic)

Moderator: Prof Mette Berger, Dr Joachim Karsegard

Mrs Christina Senn-Jakobsen, Zürich, Switzerland

Prof Claude Pichard, Geneva, Switzerland

Prof Alain Schoepfer, Lausanne, Switzerland

Dr Claudia Krieger, St Gallen, Switzerland

Prof Eran Elinav, Rehovot, Israël

Prof Nathalie Delzenne, Louvain, Belgium

14:30 Pause

Eating behaviours and gut microbiota

Moderators: Prof. Paco Prada, Prof Timothy Frayling

15:00 Anorexia nervosa and gut microbiota

Prof Najate Achamrah, Rouen, France

15:30 Obesity and gut microbiota

Prof Nathalie Delzenne, Louvain, Belgium

16:00 Best attendees awards – Competition

Prof Jacques Schrenzel, Geneva

16:20 Conclusion followed by apéritif

Notes

Practical informations

Site

The 10th Symposium Feeding the microbiota will be held:

- ▶ In presential: HUG, Auditoire Marcel Jenny, Rue Gabrielle-Perret-Gentil 4, 1205 Genève
- ▶ Virtually simultaneously

Information and registration

Free but mandatory registration at

➔ www.hug.ch/evenement/symposium-feeding-microbiota-2025

Further information: laure.wilmart@hug.ch

Post-gradual credits

Internal medicine, general medicine, gastro-enterology, infectious diseases, microbiology, endocrinology, diabetology (to be requested)

Attendance certificates for training credits are issued only to participants attending in person.
