

# NEURO-connect

The Campus Biotech Seminar on Brain Sciences & Neuroengineering

25.03.2025 AT 12H15

## Thanh Dang-Vu

Sleep and Cognitive Health

This presentation will focus on the relationship between sleep and cognition with a particular focus on the neural mechanisms of sleep-related memory consolidation, as well the neural impacts of sleep disturbances and sleep-related interventions.

### Campus Biotech:

room H8-01-D
