

Le M23 et la guerre à l'Est de la RD Congo

Dynamiques locales et globales d'un conflit «oublié»

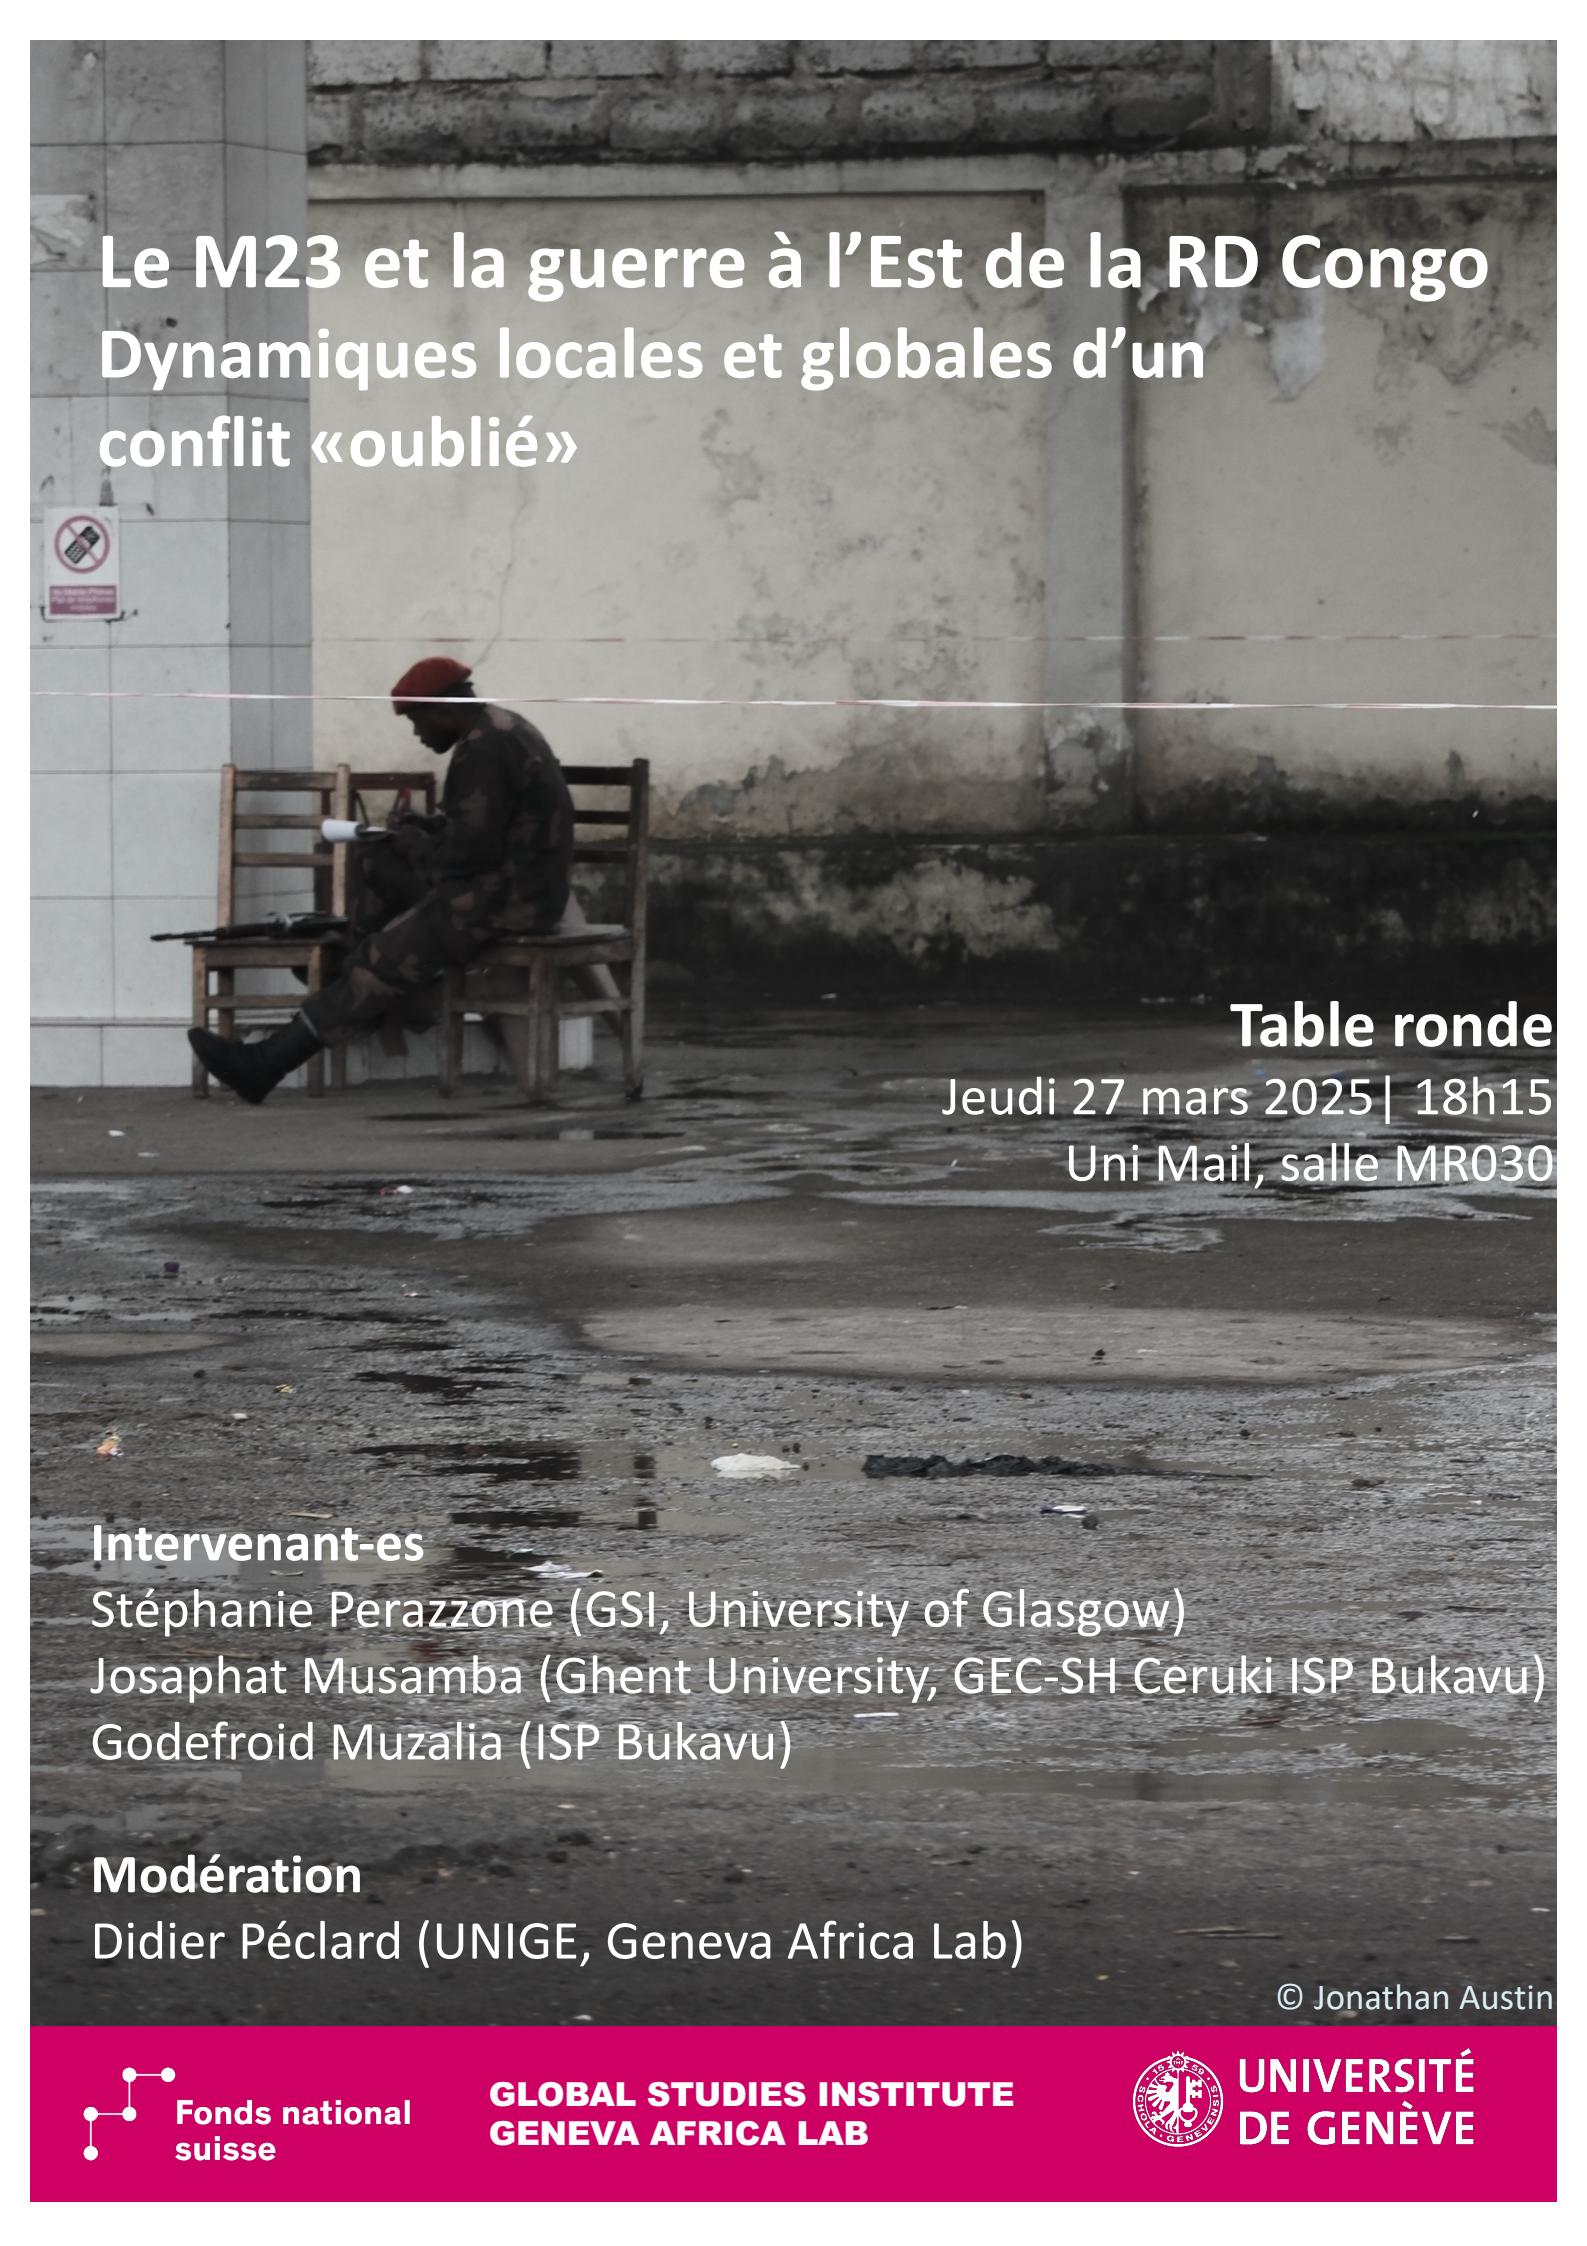

A black and white photograph showing a man in a camouflage military uniform and a red beret sitting on a simple wooden chair. He is positioned in front of a large, heavily damaged concrete wall that appears to be part of a destroyed building. The ground in front of him is wet and reflects the surroundings. To his left, a small sign is visible on a wall, featuring a crossed-out mobile phone icon and some text in French.
