

Séminaire de recherche système digestif et métabolisme, Journée Gilles Mentha pour la recherche clinique, fondamentale et la transplantation

Prix et Bourses Gilles Mentha 2025

10 Avril 2025, Auditoire Reverdin

13h30: Opening

13h45h: Abstract presentations (6min presentation, 2min questions)

Moeckli Beat (C) – *Risk of GVHD in HCC Patients Undergoing Liver Transplantation After Neoadjuvant Immune Checkpoint Inhibition*

Teixeira Pryscila (F) - *Hepatic translational challenge unravels novel insulin-independent anti-diabetic targets*

Mercier Ruben (C) - *Comparison of Perioperative Outcomes in Robotic vs. Open Major Hepatectomy: A Single Center Propensity Score-Matched Pilot Study*

Lucibello Giulia (F) - *Harnessing distinct tissue-resident immune niches via S100A9/TLR4 improves metabolic imbalance*

Krause Nicerine (C) - *Outcomes of Kidney Transplantation in the Swiss Kidney Exchange Program*

Correia de Sousa Marta (F) - *Hepatoprotective role of ERMP1 in MASLD-driven hepatocarcinogenesis and lipid-dependent tumors*

Genoud Vassilis (C) - *Molecular Landscape of Pancreatic Cancer: Early Insights from the HUG PDAC Cohort*

Bouguerra Roqiya (F) - *Hepatectomy and the use of Immune Checkpoint Inhibitors against Hepatocellular Carcinoma*

Canivet Clemence (C) - *Validation of a Multi-Step Screening Strategy for MASLD with Significant Fibrosis*

Bakaric Arnaud (F) - *Hepatomesenchymal cells in the context of liver organogenesis and disease*

Canivet Clemence (C) - *Validation of Lille Model at day 4 in patients with severe alcoholic hepatitis*

Baez Nicolas (F) - *Pancreatic islet metabolic rewiring revealed by in situ spatial mapping in patients progressing toward type 2 diabetes*

15h45: Coffee Break

In front of auditoire Muller

16h30: Award ceremony

Best presentations in basic science and best presentations in clinical science – Gilles Mentha Prizes

17h Keynote Lecture

Gene-environment interactions in alcohol-related hepatocellular carcinoma: are we ready for genetic risk stratification?

Prof. Eric Trepo,

Dept. of Gastroenterology, Hepatopancreatology and Digestive Oncology, Hôpital Universitaire de Bruxelles (H.U.B.), C.U.B. Hôpital Erasme,

Université Libre de Bruxelles (ULB), Laboratory of Experimental Gastroenterology, ULB.
