

# Hands-on Philanthropy

From 22 June to 10 July 2026  
University of Geneva

*“Master innovative philanthropy:  
from data-driven strategies to  
sustainable impact, while engaging  
directly with the philanthropic  
ecosystem.”*

UNIVERSITÉ  
DE GENÈVE

## COURSE LEADERS

Prof. Giuseppe Ugazio

Geneva School of Economics & Management  
University of Geneva

## TARGET AUDIENCE

Bachelor's and Master's students, Ph.D. candidates, and junior professionals. Hands-on Philanthropy equips participants with the analytical and strategic competencies needed to navigate and shape the evolving landscape of global philanthropy.

## TUITION FEES

Junior professionals 2,200 CHF

External students 1,800 CHF

UNIGE students 250 CHF

## COURSE DESCRIPTION

A dynamic summer program for students and professionals combining face-to-face classes, field experiences, and online materials.

Explore evidence-based philanthropy, philanthropic asset management, and circular economy strategies through practical exercises, case studies, and group work.

Gain hands-on experience with foundations, INGOs, and state agencies while mastering digital tools, mission-aligned investment strategies, and sustainable resource management.
